

Life in Our Lady of Guadalupe Parish is about to change... for all of us

Building for Our Future: The Next 50 Years Campaign is our opportunity to enrich parish life – and the life of the West Seattle community – for the next 50 years and beyond. By coming together to build a new Parish Life Center and Gym, we will not only create a vibrant place for all generations to grow in fellowship and faith, we will strengthen our entire community.

A glimpse at life in the Parish Life Center/Gymnasium

- Parish-wide celebrations
- Adult education classes
- Wedding receptions
- CYO sports activities
- Community meetings
- Funeral receptions
- Teen and adult sports
- Community service events
- The school auction
- Anniversary parties
- Plays and concerts

A view toward the future

Our Lady of Guadalupe: Parish Life Center and Gymnasium Siteplan

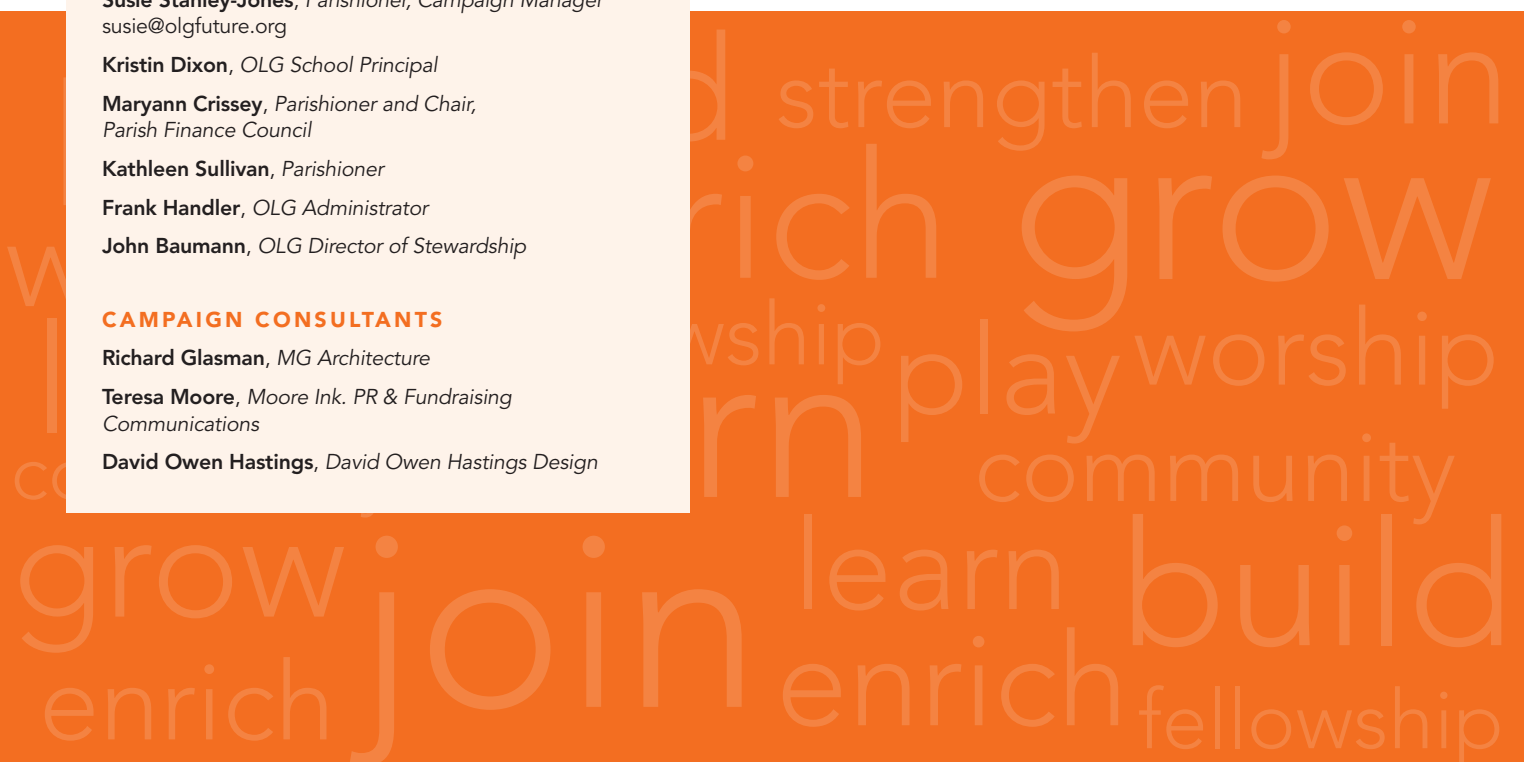

M/G Architecture
 Project 0902

“In Mark 11:24, Jesus said, ‘Whatever you ask for in prayer, believe that you have received it,

and it will be yours.’ My strong belief that the **Building for Our Future Campaign** will succeed is grounded in my faith in God and my faith in our parish and its leaders. This is a transformational time for Our Lady of Guadalupe, a time for all of us to come together – not just to build a building, but to build an even stronger community. With your faith and commitment, what we pray for will be accomplished.”

Father Jack Walmsley

Now is the time to build a new future for our parish

Since Our Lady of Guadalupe was founded in 1960, we have enjoyed the richness of God's blessings to build an active, diverse and committed parish community. In 2005, we set our future in motion by developing a parish master plan encompassing:

- A new Pastoral Center to provide a place for small meetings and receptions and to house our administrative offices
- A Parish Life Center/Gymnasium to serve as a hub of activity and Christian life for students, children, parents, singles, families, seniors and our entire community
- Enhancements to make our church warmer and more inviting

"Over many decades, extraordinary sacrifices have been made by Catholics throughout the Archdiocese to build the necessary facilities for past and present generations. Today, Our Lady of Guadalupe faces a similar task. Such challenges involve great sacrifice but also a calling to work together as a parish family united in the love of Christ."

Most Reverend Alex J. Brunett,
Archbishop of Seattle

Through God's grace and the generosity of our parish community, we raised \$2.4 million in 2007 toward a total master plan goal of approximately \$6.2 million. The first phase of fundraising allowed us to build the Pastoral Center and finalize architectural plans for the Parish Life Center/Gymnasium and church improvements. Now, we once again turn to our parish community to complete our campus and enrich lives for generations to come.

With every parishioner's help, we can make this new future a reality

We have an amazing, growing and faithful parish alive with people who are deeply committed to our community. We have illustrated that dedication in many ways through the years, most recently – despite a challenging economy – by generously increasing our weekly sacrificial giving and contributions. Parishioners are seeking God's guidance, acting on their values and faith, and choosing carefully where to donate their money – and they are choosing to sustain and grow OLG. In addition, we have friends and supporters in the Archdiocese, in West Seattle and beyond who will join this campaign. It will take all of us, together, to succeed in reaching this goal.

We have faith in our parish. We all know the joy that comes with a gift that's given to serve the greater good. With the generosity of spirit to share God's blessings in our lives with others, we will build our future.

Get more details plus updated info on the Campaign by visiting our website at www.olgfuture.org!

"Every individual, child and family in the parish will be able to find something in the new building to enrich their lives. The gym, stage and gathering hall will make a big difference in the physical education, sports and social programs our school community can enjoy."

Kristin Dixon, OLG School Principal

Please pledge today!

We have many different extended pledge options that allow you to donate over time. A \$5,000 pledge can be paid over three years for less than \$150 a month. For some parishioners, less will be possible. For others, perhaps more. **Building for Our Future: The Next 50 Years Campaign** asks all our parishioners to consider giving at a personally significant level.

"As each has received a gift, employ it in serving one another."

1 Peter 4:10
